

HORWICH TOWN COUNCIL POLICY FOR FINANCIAL ASSISTANCE TOWARDS ROOM RENTAL COSTS AT HORWICH COMMUNITY CENTRE

Introduction

Horwich Town Council allocates funding every year in its budget for the purpose of supporting local voluntary and community groups. The sum allocated by the Council is part of the annual precept collected from the electorate and is available for distribution from 1 April each year.

The Town Council is governed by rules set out in the Local Government Act 1972 (section 137) which states that the money must be spent on purposes for the direct benefit of the parish and to be commensurate with the expenditure occurred, for example spending an amount for the benefit of only one or two people is not acceptable.

Contributions may be made to bodies and charities providing a public service on a non-profit making basis, but only in furtherance of their work in the United Kingdom and who must be able to clearly demonstrate its benefit to a number of residents of the parish. It is unlawful for a council to contribute to an individual or a charity or a public service body operating overseas.

No further amount will be allocated from the annual budget if the money is committed before the end of the financial year (end of March each year). There are several categories of grant awards including financial assistance towards room rental costs at Horwich Community Centre included in the council's grants policy,
